

Village of Tower Lakes Shared Purchase Tree Program October 2020

Once again this year the Village of Tower Lakes and the Tree Commission is sponsoring a shared purchase program to supply trees to our residents. Under this program a limited number of trees have been purchased by the village and offered to residents at half the wholesale cost of the tree. **Trees can be purchased by check Payable to Village of Tower Lakes. Please place your order request on line to rsteffen@towerlakes-il.gov. As the village hall is still closed, Checks can be dropped off at 220 E Lake Shore Drive in the box on the front porch. Supplies are limited, One tree per household on a first come basis. Trees will be delivered to the resident's driveway by tree commission members on Saturday morning September 26thth. Planting and care is the responsibility of the resident and there is no warranty offered.** Following is the list of available trees and their price to residents of Tower Lakes. Please help continue Tower Lakes recognition as a Tree City USA and beautify your property at the same time.

The deadline for ordering is September 19th

Black Oak (10 gal. container)	\$50	QTY. 3
White Oak (10 gal. container)	\$50	QTY. 5
Swamp White Oak (10 gal. container)	\$50	QTY. 3
Burr Oak (10 gal. container)	\$50	QTY. 5
Red Oak (10 gal. container)	\$50	QTY. 5
Kentucky coffee tree (10 gal. container)	\$50	QTY. 3
Norway spruce (4-5')	\$30	QTY. 20

Planting a tree is a great family activity. As we lose many trees in the village to storms, age, disease and pests it is important we replace them for those that follow us. We were given a beautiful setting in Tower Lakes by those who preceded us let's insure that the future generations have them to enjoy as well. Trees enhance property values and provide homes to our birds and wildlife. They also purify our water and help mitigate storm water.
